

## City of Cass Lake Community Survey

The City of Cass Lake is undertaking Energy and Environment planning and will implement a \$10,000 or more grant-funded project(s) in 2022. We need your good ideas! This survey should take less than 10 minutes. We truly appreciate your time and important input.

Complete this survey and get a free LED light bulb while supplies last!!! Take the survey online and grab a picture of the “Thank you” page, and bring it to City Hall to get your bulb. OR complete a paper survey and drop it off at City Hall to pick up your LED light bulb! Surveys must be received between 12/1/2021 and 12/31/2021.

1. What is your age range?

- Under 18
- 18-35
- 36-55
- 56-65
- 65+

3. Are you concerned about any of the following storm related events occurring in Cass Lake in the next 5 years?

	Not Concerned At All	Not Very Concerned	Somewhat Concerned	Extremely Concerned
Severe heat	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Extreme cold	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Flooding	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Drought	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Tornado	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Straight Line Winds	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Power outages for more than 24 hours	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please specify)

4. Rate the following statements according to how often you do it, and how easy it is to do.

	Do All the Time / Very Easy	Do Sometimes / Easy	Do on occasion / Somewhat difficult	Don't Do very often / Difficult	Don't Do at all / Very Difficult
Get rid of regular household garbage.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Separate food waste and compost it.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Separate yard waste and compost it.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Separate recycling and recycle.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Dispose of hazardous waste like fluorescent bulbs, paint or motor oil according to LLBO requirements.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Rate your feelings about the following statements according to the scale.

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The City's population should increase.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
City of Cass Lake drinking water is high quality.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lakes and rivers around the City of Cass Lake are clean, accessible and enjoyable for residents and visitors.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The City of Cass Lake offers excellent recreational opportunities with quality parks, lake or water access and bike trails etc.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Alternative modes of transportation, such as walking and biking, are important.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The City should offer charging infrastructure to encourage the use of electric vehicles.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
My home or business often experiences power outages longer than 1 hour.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To reduce my heating, cooling, and/or electricity costs, I would take advantage of low or no-cost energy efficiency improvements at my business or home.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would go to a farmer's market in downtown Cass Lake.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Which projects should the City of Cass Lake advance over the next five years related to water, land and food, energy, waste, and storm events, if any (choose top 3)?

- Provide City-operated community safe space for extreme weather.
- Improve storm water systems in case of flooding.
- Increase City well capacity in case of drought.
- Improve City water quality, drinking, or lakes and streams.
- Improve or expand walking and biking zones, including sidewalks.
- Improve City waste infrastructure (recycling, composting, hazardous waste, etc.).
- Support a bike share program.
- Plant more trees or other greenery.
- Reduce City energy consumption, saving money.
- Install back-up power source for the community in case of grid outage.
- Generate City power with renewables like wind or solar.
- Continue working to get the St. Regis superfund sites cleaned up.
- Other (please specify)

- None of the above

7. What would help revitalize downtown Cass Lake? New businesses, new buildings, etc?
