

Hackensack Comprehensive Plan

April 26th, 2021

4:30-6:30pm

Agenda

Overview of Agenda & Timeline Review (5 minutes)

Energy and Environment Update (5 minutes)

- Action steps for 2021 approved.
- R5DC send agreement to Hackensack.
- Explain that EE goals are included throughout the plan and an addendum will be added with the more specific action steps.

Review of Comp Plan Draft Goals (20 minutes)

- Any general changes to the goals?
- Any additional thoughts on the transportation section and the strategies?
- Any goals or thoughts you want to add for planning in your city because of COVID?

Review of Comp Plan in General (20 minutes)

- Is there any background information in the outline you would like more or less of?
- Talk about the appendices/references that will be added (energy audit, EE action steps, timeline, maps, etc.) – put them on the R5DC website. Is there anything else you would like added?

Next Steps (10 minutes)

- We will make changes and beautify the document so it is ready to be shared with the community in May.
- Location for public meeting & time (virtual/in person?)

Door Prize (5 minutes)
