

Hackensack Comprehensive Plan

January 26th, 2020

2-3:30pm

Agenda

Overview of Agenda & Timeline Review (15 minutes)

Energy and Environment (20 minutes)

- Comp Plan and Energy and Environment (EE) integration
 - Bonus part of this process: Little bit of funding for E&E project implementation
 - Funding for other portions of Comp Plan implementation up to City
- Proposed EE Subcommittee – Clean Energy Team / GreenStep City Team
 - Will help prioritize projects and help implement identified priority projects – MPCA \$10,000 funding
 - You're invited to participate, 3 meetings anticipated over 6 months starting in February. Goals of group:
 - Prioritize projects & City approval of workplan/comp plan EE goal
 - Project Implementation
 - Ribbon-cutting, future identified E&E projects

Housing SWOT Review and Goals (30 minutes)

- Jamboard review and summary
- Revise and review drafted goals

Next Steps (10 minutes)

- Next meeting focus on Economic Development & Land Use Goals
- **Homework:** Jamboards for those two sections

Door Prize (5 minutes)
